

CORNERSTONE Youth Center

SERVING YOUTH SINCE 1998

A New Café Space Thanks to You!

After months of praying, planning, and painting... We are pleased to announce that the new Cornerstone Café is open for our students! What started as a discussion with both our students and students from the high school, who don't attend, about what they would like to see at Cornerstone; became a newly remodeled Cornerstone Café. Students wanted a place to talk, have coffee, do homework, and play board games away from the busier and more energetic areas of the building. They were looking for something with a coffeehouse feel, and we were able to deliver! Through the financial support of many of our faithful donors, a grant from the Elizabethtown Rotary Club, and hours of volunteer support we have finished the project and the students are loving it! We serve specialty coffee and hot chocolate, and have enough space for students to connect over coffee, complete their school assignments, and play games together. Thank you!

Foundations - Parent Support Group

Most of us know the popular “Lean on Me” song by Bill Withers. There's no doubt this song hit high on the charts because it hits deep in our hearts. We really do all need somebody to lean on. That's why Cornerstone is pleased to announce our new parent support group “Foundations”; which will take place on the second Wednesday of each month, beginning November 8th, from 6:30-7:30pm.

Each season of our lives brings with it new challenges. Our children are living in a world that is very different then the one we grew up in. This group will seek to serve student families, by providing information and tools they can use, as well as a space to share with others who are in a similar stage of life about the challenges they face. I'm so excited to see how God will use this group, to make a difference in Jesus' name!

“Bear one another's burdens, and so fulfill the law of Christ.”
- Galatians 6:2

Lock-In or Bail-Out Event

On November 3rd, Cornerstone will host it's second annual Student Lock-In event. In addition to the Lock-In, we will have members of our board of directors, staff, volunteers, and supporters from the community “Locked-In” and making phone calls to their family and friends to help financially support Cornerstone by “bailing them out” and making a donation to the ministry. Our goal is to raise \$33,000 during this one-day event, which would make it the second largest fundraising effort of the year.

Cornerstone is a ministry to the Middle School and High School students of our community, and serves over 200 students each year. If you would like to give to Cornerstone and help us reach our goal, you can send your donation in the envelope connected to the newsletter, or visit our website at www.CornerstoneEtown.org. Thank you!
